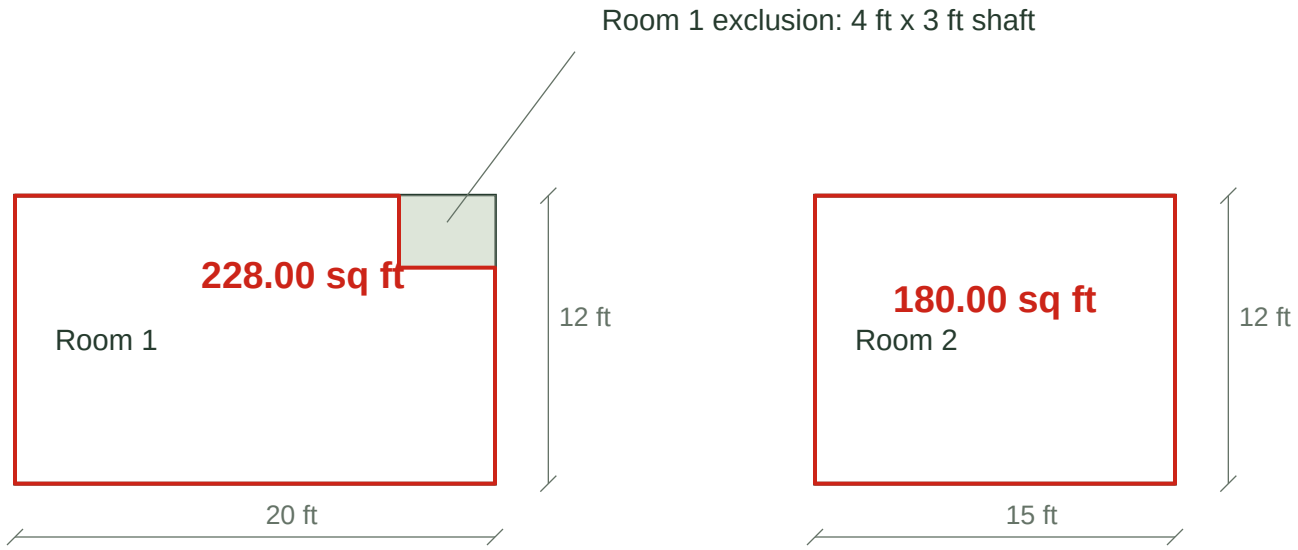
F-101 / Flooring practice

Revision A | Scale 1/8 inch = 1 foot (9 PDF points per foot) | Dimensions in feet



Practice scope: floor finish in both rooms, excluding the shaded shaft.

Check the 20 ft horizontal span and a separate 12 ft vertical span before takeoff.

Net area: keep the exclusion separate. Apply waste only after reviewing quantities.

Not a construction document. No door recesses, thresholds, or finish transitions are included.
