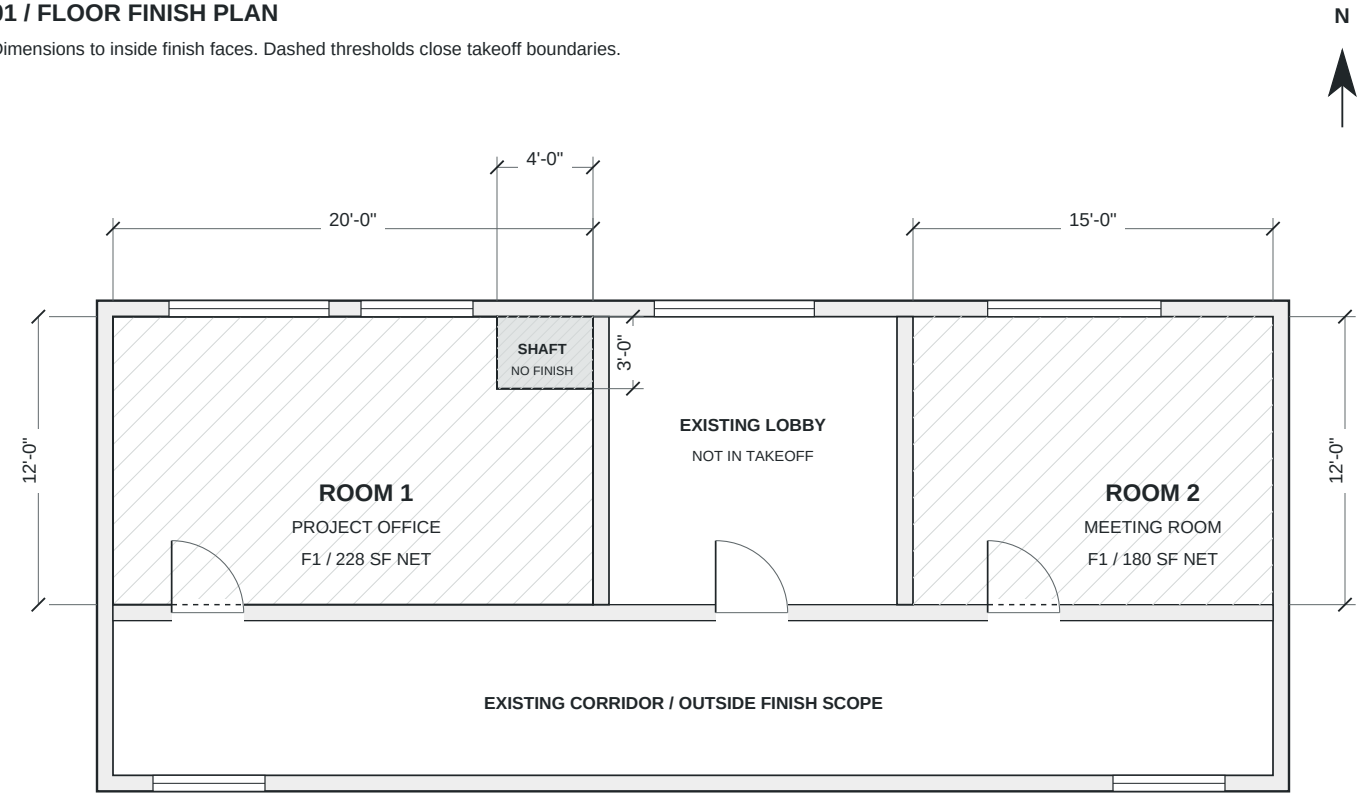
FLOOR FINISH PLAN AND THRESHOLD DETAIL

POLYPDF

DRAWING PRACTICE SERIES

01 / FLOOR FINISH PLAN

Dimensions to inside finish faces. Dashed thresholds close takeoff boundaries.



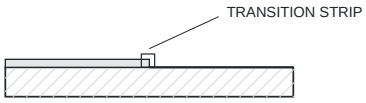
1 **FLOOR FINISH PLAN**

GRAPHIC SCALE / FEET

0 2.5 5 7.5 10

9 PDF points = 1 foot. Calibrate before measuring.

2 / TYPICAL FINISH TRANSITION



DETAIL NOT TO SCALE / THRESHOLD LINE DEFINES SCOPE

FINISH PLAN NOTES

01 Measure only Room 1 and Room 2. Lobby and corridor are background context.

02 F1 is a demonstration resilient finish. Hatch denotes scope, not plank layout.

03 Trace Room 1 around the 4 ft x 3 ft edge-connected shaft. Do not subtract twice.

04 Close boundaries at the dashed door thresholds. Do not include door recesses.

05 Verify the 20 ft span and a separate 12 ft span before takeoff.

06 No waste, base, thresholds or finish transitions are included in net area.

FINISH SCHEDULE

F1 Resilient floor / practice scope

Room 1: 240 - 12 = 228 sq ft

Room 2: 15 x 12 = 180 sq ft

Combined net area: 408 sq ft
